

Crown Financial Ministries

The Journey to True Financial Freedom

Here's how the Crown Money Map works:

There are six destinations on your journey before you reach the final destination. Complete each in order beginning with Destination 1. Check off what you've already accomplished. Then, start with the first destination you've not yet finished.

This study does not intend to make you live like a pauper nor show the way to financial wealth.

GOALS:

- To acknowledge God's ownership of all things.
- Control our money/possession instead of being controlled by greed, selfishness, or material things.
- Prepare for emergencies and the unexpected.
- Learn to be patient, content, consistent, and a generous giver.
- To be debt free sooner rather than later, in order to serve Christ more fully with our time and finances.
- To know Christ more intimately.
- To glorify God in all we do.
